## Lane closure at McClugage extended to Jan. 10

**PEORIA** – The Illinois Department of Transportation announced that beginning Jan. 9, the lane closure in place on U.S. 150 (War Memorial Drive) at the McClugage Bridge in Peoria will be extended.

In this configuration, traffic from the Illinois 29 ramp will be required to stop before merging to accommodate ongoing construction on the west end of the new McClugage Bridge. This configuration will be in place during daytime hours on Jan. 9 and 10.
