RAMP CLOSURE

I-24
Johnson County

The Illinois Department of Transportation would like to alert motorists traveling on I-24 in Johnson County of an upcoming RAMP CLOSURE.

Beginning Monday, March 6th at 6 a.m., intermittent ramp closures will begin at Exit 14 and Exit 16. These closures will affect entrance and exit ramps in one direction. Both eastbound and westbound ramps will be open at either Exit 14 or Exit 16 at all times. Message boards will be in place to inform motorists which exit to use. The work is expected to take approximately four weeks.

These closures are necessary to facilitate shoulder improvements on the ramps.

Please watch for message boards to be informed of which ramps are closed. Use alternate routes if needed, reduce speed and use extreme caution while traveling through all work zones.
