DESCRIPTION AND PURPOSE OF ITEM

This item identifies the Division of Highways Administrative District in which a highway is located. If the highway is on a district boundary, this item identifies the district to the SOUTH or EAST of the boundary.

This information is used to organize highway data geographically.

This item is computer-generated using the code recorded in County (Item 6). If in question, contact the district Bureau of Program Development.

Note: District (Item 6A) is not necessarily the district responsible for highway maintenance. The maintenance district is identified in District Maintenance (Item 29).

This item is included on extract files only.
