DESCRIPTION AND PURPOSE OF ITEM

This item indicates the month and year represented by the values recorded in Condition Rating Survey (CRS) (Item 42).

This information is used to group highway data by date for use in IDOT's Pavement Management Systems.

This item can be determined by using instructions contained in the Office of Planning and Programming "Condition Rating Survey Manual". If in question, contact the Central Bureau of Statewide Program Planning.

CODE AND SCREEN ENTRY INSTRUCTIONS

A 4-digit numeric code.

Note: This date is stored in the computer as 'MM/DD/YYYY' but entered and displayed as "Month, Year".

State System   -   computer transferred from separate collection software work station analysis. Appropriate code revisions to reflect updates and awarded projects manually entered.

Non-State System   -   enter the appropriate date.

Example	Date of Rating
October, 1992	October 1, 1992
September, 1993	September 1, 1993
	CRS not collected
