BDE PROCEDURE MEMORANDUM

NUMBER: 11-15

SUBJECT: BDE Manual Revision – Chapters 12, 23, 26, 52, and 53

DATE: August 4, 2011

Chapters 12, 23, 26, 52, and 53 of the BDE Manual have been revised to delete Figure 12-3.E and Figure 12-3.F, update figure references, and update 3P and SMART policy. See Chapters 12, 23, 26, 52, and 53 of the BDE Manual on-line to view the revisions.

Background

Figure 12-3.E and Figure 12-3.F were the 3P and SMART project report forms, respectively. These figures have been deleted from the manual since the actual forms are now available on the Forms Management Site. The report forms were also revised to reflect new policy and new approval procedures. All references in the manual to Figure 12-3.E were changed to form BDE 2564 and all references to Figure 12-3.F were changed to form BDE 2565. Subsequent figures in Section 12-3 and references to those figures were also changed.

Section 52-5.02(k) was updated to reflect new SMART policy.

Section 53-4.03 was updated to clarify 3P policy.

Engineer of Design and Environment _____

Scott S. Smith
