

From January 23, 2014 Illinois Program managers / Team Leader Information

The Bridge Management Unit is responsible for tracking the qualifications and training of bridge inspection personnel who discharge the duties of Program Managers or Team Leaders in the State of Illinois.

A PDF document of bridge inspector's contact, training and licensure information is available at <http://www.dot.il.gov/bridges/NBIS.html>.

Please review the accuracy of your information contained in this document. Inspectors with Active and Inactive status are shown in the document. Inspectors with Inactive Status will not be allowed to inspect bridges in the State of Illinois.

If you have any corrections or updates to an inspector's information, please send corrections to DOT.BBS.BridgeMgmt@Illinois.gov. If you have corrections or additions to inspection training, please include a PDF copy of the class certificate. Please provide us with any information shown as "<<Null>>".
