

From March 6, 2017, Revision of *Illinois Highway Information System: Structure Information and Procedure Manual (SIP Manual)*

The ***Illinois Highway Information System: Structure Information and Procedure Manual*** was recently updated. The updates are listed on the “Revisions” pages (ii and iii) in the front of the manual.

The manual is available on the IDOT website by [clicking here](#).

To print only the pages that have been revised, print the attached PDF file with the duplex setting on.

All inspections from today forward shall use the condition rating guidelines of the revised manual. Please review the changes to the manual as soon as possible.
