NBI Subscription Service Announcement 20200904

Illinois Department of Transportation – *BBS 2710 Load Rating Inspection Report*

The purpose of this NBI Subscription Service Announcement is to provide information to Illinois Certified NBIS Program Managers Team Leaders, and others involved in the bridge inspection program of changes to the IDOT *BBS 2710 Load Rating Inspection Report*.

This form is used for Load Rating Inspections to confirm and document variables affecting the load carrying capacity of a bridge. It is also used by the IDOT Bureau of Bridges and Structures Structure Rating & Permits Unit during review of the Load Rating Inspection findings on IDOT maintained bridges.

BBS 2710 Load Rating Inspection Report Revisions:

- Top Row: "Date:" has been revised to "Inspection Date:"
- Middle Row: "Carried/Crossed:" has been revised to "Facility Carried/Feature Crossed:" and "Proposed Year of Improvement:" has been removed
- Bottom Row: "Inspection Date:" has been removed and "Inspector(s):" has been moved to the left margin
