**Service Dates (From, To):** field is the begin and end dates of service for the Invoice. Note: IDOT’s fiscal year runs from July 1st of one year through June 30th of the following year. It would greatly enhance BLRS’s ability to process an Invoice if all Invoice Amount requests on the Invoice adhere to a service period within the same IDOT fiscal year. This is not mandatory if reimbursement does not exceed the allowable reimbursement amount directed by the Local Agency Agreement form BLR05310. If the Invoice Amount does not exceed the allowable reimbursement amount a program addition will need to be requested and the costs incurred in the previous fiscal year will need to be calculated.
