

How Can I Get Involved?

An important part of the Illinois Route 3 Connector (I3C) Project is participation by those who have a stake in the study's outcome. We have two main objectives for this participation:

- 1) To educate everyone about the project and the study developments, and
- 2) To *be educated by you* about your community, its important resources, qualities, issues, and problems, and about your vision for the project.

There are several ways for these objectives to be achieved over the course of the I3C Project, including the following:

We encourage all who are interested to take part in the project. It is only through the participation of those who live and work in the area that the best possible project can be achieved.
