ISP 02-57 - QUALITY CONTROL/QUALITY ASSURANCE OF BITUMINOUS CONCRETE MIXTURES

COUNTY ENGINEERS/SUPERINTENDENT OF HIGHWAYS
MUNICIPAL ENGINEERS/DIRECTORS OF PUBLIC WORKS
CONSULTING ENGINEERS

01-14

The special provision referenced above was developed by the IDOT/ Industry Joint Co-op Committee to eliminate the QC/QA pay item for bituminous mixtures. QC/QA is now considered incidental to the cost of various bituminous contract items.

This special provision replaces Check Sheet #15 of the 2002 Supplemental and Recurring Special Provisions. The special provision should be used on all bituminous concrete mixture contracts that require QC/QA and that are let after January 1, 2002.

Also, since the issuance of Circular Letter #01-11, the Bureau of Local Roads and Streets has made the following changes in regards to the Inserted Special Provisions (ISPs):

- ISP 02-11 was deleted. Contents of this special provision are contained in the 2002 Standard Specifications and in ISP 02-10.
- Usage for Check Sheet #6 should reference ISP 02-07, not ISP 02-27.
- The adopted date of the check sheet for Recurring Special Provisions was changed from January 2, 2002 to January 1, 2002.

ISP 02-57 is available on IDOT's website at www.dot.state.il.us/blr/isplist.html. The [check sheet](#) and [usage sheet](#) are available at www.dot.state.il.us/blr/isp.html.

Please contact Kevin Burke at (217) 782-6315, or by e-mail at BurkeK@nt.dot.state.il.us, if you have any questions or wish to obtain a paper copy of any of the above documents.

Sincerely,

A handwritten signature in black ink that reads "Darrell W. McMurray".

Darrell W. McMurray, P. E.
Engineer of Local Roads and Streets
