

# IDOT BRIDGE BUNDLING SURVEY

## PROVIDE YOUR INPUT!

The Illinois Department of Transportation (IDOT) has launched a survey to gather additional feedback and input from stakeholders on a bridge bundling feasibility analysis. Webinars were conducted to provide an overview of bridge bundling, the potential opportunities for Illinois, lessons learned from other states, and a facilitated discussion. To review background information and the webinars, please visit the IDOT Bureau of Innovative Project Delivery webpage. The IDOT Bridge Bundling Industry/DBE survey was developed to ensure all interested stakeholders are able to share their opinions and feedback with the program team.

Please click [here](#) for the IDOT Bridge Bundling Industry/DBE Survey, responses to the survey will be accepted through September 22, 2021.

The [IDOT Bureau of Innovative Project Delivery](#) is leading a Bridge Bundling Feasibility Analysis, which will evaluate bundling of state-owned bridges and culverts throughout Illinois. It is anticipated that a bridge and culvert bundling effort may help the Department complete **more projects in less time at lower costs, leverage increased revenues** to deliver additional projects beyond the bundling efforts, and create new, innovative opportunities for **DBE engagement and growth**.

**If you have any questions,  
please contact the  
program team at  
[DOT.InnovativeProjectDelivery@Illinois.gov](mailto:DOT.InnovativeProjectDelivery@Illinois.gov)**

This survey will help the program team combine information gathered from data collection and research with the perspectives and feedback of industry stakeholders to better understand the benefits and considerations for establishing a potential bundling program.

*In compliance with the Americans with Disabilities Act and other Federal and State laws, the survey will be accessible to those with disabilities. If you need any additional assistance, please contact the project team at [DOT.InnovativeProjectDelivery@Illinois.gov](mailto:DOT.InnovativeProjectDelivery@Illinois.gov).*
