Subject: Statewide Transportation Improvement Program Amendment
LaSalle & Livingston Counties, Illinois

Dear Ms. Bieneman:

We approve the amendment to the FY2021-2024 Statewide Transportation Improvement Program (STIP) as submitted with your letter dated March 15, 2022 for resurfacing IL23 from Bloomington Street to Smith Douglas Road in LaSalle and Livingston Counties, Illinois.

Based on the Federal Highway Administration, Illinois Division's ongoing Federal oversight of the planning activities in Illinois, we find that the transportation planning process substantially meets the planning requirements described in 23 CFR 450. We can now consider project authorization requests related to this STIP Amendment.

Sincerely,

Elizabeth R. Tracy
Transportation Planning Specialist

Dear Ms. Kocher:

Enclosed for your approval and use in accordance with paragraph 23 CFR 450.220 is a copy of an amendment to the FY 2021-2024 Statewide Transportation Improvement Program (STIP) for Illinois. The Department of Transportation (IDOT) is authorizing this amendment to the STIP.

The projects listed in this amendment are for local program projects that are not in a Metropolitan Planning Organization area. The projects were placed in a local newspaper for a 15-day comment period and received no comments. Therefore, the public involvement requirements are met.

IDOT considers the estimate of costs included in the STIP to be realistic. IDOT concurs with the fiscal consistency analysis included in the STIP. The total cost of the STIP remains consistent with the amount of funds expected to be available to the state during the STIP time period. IDOT, on behalf of the Governor of Illinois, concurs with the projects listed in this STIP.

Sincerely,
