Subject: Statewide Transportation Improvement Program Amendments  
District 6 – Various Counties

Dear Ms. Bieneman:

We approve the amendments to the FY2021-2024 Statewide Transportation Improvement Program (STIP) as submitted with your letter dated November 17, 2021 for bridge washing in Pike, Scott, Adams, Cass and Hancock Counties.

Based on the Federal Highway Administration, Illinois Division's ongoing Federal oversight of the planning activities in Illinois, we find that the transportation planning process substantially meets the planning requirements described in 23 CFR 450. We can now consider project authorization requests related to this STIP Amendment.

Sincerely,

Elizabeth R. Tracy

Dear Ms. Kocher:

Enclosed for your approval and use in accordance with paragraph 23 CFR 450.220 is a copy of an amendment to the FY 2021-2024 Statewide Transportation Improvement Program (STIP) for Illinois. The Department of Transportation (IDOT) is authorizing this amendment to the STIP.

The project listed in this amendment is for a state program project that is not in a Metropolitan Planning Organization area. This project was placed on the IDOT Facebook page for a 15-day comment period and received no comments. Therefore, the public involvement requirements are met.

IDOT considers the estimate of costs included in the STIP to be realistic. IDOT concurs with the fiscal consistency analysis included in the STIP. The total cost of the STIP remains consistent with the amount of funds expected to be available to the state during the STIP time period. IDOT, on behalf of the Governor of Illinois, concurs with the projects listed in this STIP.

Sincerely,
