Dear Ms. Sisk:

We approve the amendments to the FY2021-2024 Statewide Transportation Improvement Program (STIP) as submitted with your letter dated June 21, 2022, in District 7 as outlined in your letter:

- 1) Jasper County – Various Locations – Chip Seal
- 2) Fayette County – West Filmore Street - .2 miles East of Veterans Avenue to North 8th. Street - Sidewalks

Based on the Federal Highway Administration, Illinois Division's ongoing Federal oversight of the planning activities in Illinois, we find that the transportation planning process substantially meets the planning requirements described in 23 CFR 450. Dear Ms. Kocher:

Enclosed for your approval and use in accordance with paragraph 23 CFR 450.220 is a copy of an amendment to the FY 2021-2024 Statewide Transportation Improvement Program (STIP) for Illinois. The Department of Transportation (IDOT) is authorizing this amendment to the STIP.

The projects listed in this amendment are for local program projects that are not in a Metropolitan Planning Organization area. The projects were placed in a local newspaper for a 15-day comment period and received no comments. Therefore, the public involvement requirements are met.

IDOT considers the estimate of costs included in the STIP to be realistic. IDOT concurs with the fiscal consistency analysis included in the STIP. The total cost of the STIP remains consistent with the amount of funds expected to be available to the state during the STIP time period. IDOT, on behalf of the Governor of Illinois, concurs with the projects listed in this STIP.

Sincerely,
