

Overview of Comments Received on Draft FY 2021-2024 STIP

Some specific comments we received are as follows:

- traffic signal installation along US 34
- add lanes to US 30
- culverts beneath IL 3 and IL 100
- comments received within a legislative district
- resurfacing to IL 33
- Morrison Blacktop
- turning lane on US 20
- improvements to Rt. 54/150 intersection
- tree maintenance
- SRTS possibilities
- ROW transfers
- improvements to Rt. 1
- bike path installations
- welcome signs
- MFT distribution
- sidewalks/lighting along US 40
- resurfacing Rt. 40
- US 40, ILL 33, Fayette Avenue projects
- improvements to Rt. 136
- resurfacing of IL 161

Some of the areas listed above received multiple comments for the same issue. IDOT also received several comments unrelated to transportation. IDOT responded to all serious inquiries/comments regarding transportation work. Some projects are already listed in the STIP. Some projects are in the outer years (2025-2026) of the MYP. Other projects are not yet included, but studies have been initiated to possibly add in the future.
