Attention: J. D. Stevenson

Dear Ms. Kocher,

Enclosed for your approval and use in accordance with paragraph 23 CFR 450.220 is a copy of an amendment to the Amended FY 2018-2021 Statewide Transportation Improvement Program (STIP) for Illinois. The Department of Transportation (IDOT) is authorizing this amendment to the STIP.

The projects listed in this amendment are for state program projects that are not in a Metropolitan Planning Organization area. The projects were placed on IDOT's Facebook page and website for a 15-day comment period and received no comments. Therefore, the public involvement requirements are met.

IDOT considers the estimate of costs included in the STIP to be realistic. IDOT concurs with the fiscal consistency analysis included in the STIP. The total cost of the STIP remains consistent with the amount of funds expected to be available to the state during the STIP time period. IDOT, on behalf of the Governor of Illinois, concurs with the projects listed in this STIP.

Sincerely,
