

Recognition Award

Celebrating Barb Clauser

A Career of Dedication, Service &
Making a Difference as part of the Fall
Planning Conference Committee

- Years of Service – 102!
- Countless projects
- Thousands of maps/documents/tasks
- Too many meetings to count
- And more coworkers helped than she probably realizes

**No more planning for this girl unless it's in the
garden!**

Her Last Fall Planning Conference —
2026

More Than a Job

Database Management Specialist
Mapping and Information Systems Unit
Bureau of Planning
Illinois Department of Transportation

Planning • Mapping • Coordination • Problem Solving • Mentoring • Helping Others • Getting Things Done

I have a quick question...

Do you know where this is?

How did we do this last time?"

Who do I need to talk to?

Can you help me find...?

Have you seen this before?

*Just Ask
Barb*

Can you take a look at this?

THANK YOU, BARB!
