Lane closures on U.S. 50 in Marion County

IUKA – The Illinois Department of Transportation today announced that pavement sealing on U.S. 50 from Metcalf Road to the Marion and Clay county lines will require one lane to be closed beginning June 1 during daytime working hours. Flaggers will maintain traffic.

Drivers are urged to reduce speed, be alert for changing conditions, obey all construction signage, consider alternate routes, and refrain from using mobile devices while approaching and traveling through the work zone.

The project is anticipated to take three weeks to complete.
