Illinois 60 closure in Round Lake

CHICAGO – The Illinois Department of Transportation announced today that a culvert replacement project on Illinois 60 at Arden Lane, in Round Lake, will begin, weather permitting, the week of July 24.

The project will require closing Illinois 60 from Belvidere Road (Illinois 120) to Peterson Road. A detour will direct motorists to Belvidere, Alleghany and Peterson roads. Access to residences and businesses will be maintained throughout construction.

The work is expected to be completed in October.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 2,500 miles of highway and nearly 10 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Three of Rebuild Illinois included approximately \$8.6 billion of improvements statewide on 4,422 miles of highway, 412 bridges, and 621 additional safety improvements.
