North Avenue pavement repairs in Melrose Park

CHICAGO – The Illinois Department of Transportation announced today that pavement repairs on eastbound North Avenue (Illinois 64), between Fifth and First avenues, in Melrose Park, will require a closure of the two right lanes beginning, weather permitting, Monday, Aug. 14.

To complete the work, motorists should expect daily lane closures on eastbound North Avenue, between 9 a.m. and 6 p.m., weekdays, for approximately one week. At least one eastbound lane will remain open during repairs. Westbound North Avenue traffic will not be impacted.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
