Illinois 9 in Hoopeston to close Sept. 18

HOOPESTON – The Illinois Department of Transportation announced that Illinois 9 (Orange Street) between Second Avenue and Market Street in Hoopeston will close Sept. 18.

The closure is necessary for CSX Transportation to replace its crossing and is expected to last through Sept. 22. A detour will be posted.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
