Illinois 185 southeast of Hillsboro closed due to sinkhole

SPRINGFIELD – The Illinois Department of Transportation announced that Illinois 185 between Hillsboro and Coffeen is closed due to the formation of a 50-foot-wide sinkhole in a farmer's field adjacent to the road. The sinkhole is located southeast of the John A. Graham Correctional Center.

Currently, there is minimal damage to Illinois 185. Out of an abundance of caution in the case that the sinkhole expands, Illinois 185 will remain closed through the weekend. An assessment of the damage will be performed next week to determine when Illinois 185 may reopen.
