Illinois 8 bridge replacement begins May 1

PEORIA – The Illinois Department of Transportation announced that replacement of the Illinois 8 bridge over West Fork Kickapoo Creek, near Oak Hill in rural Peoria County, begins May 1.

The project will close Illinois 8 between Maher Road and Texas Road until early November. A detour will be posted.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the [next six years](#), IDOT is planning to improve more than 3,000 miles of highway and nearly 10 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. [Accomplishments](#) through Year Four of Rebuild Illinois included approximately \$12.1 billion of improvements statewide on 5,339 miles of highway, 533 bridges and 762 additional safety improvements.
