Bob Michel Bridge inspection underway

PEORIA – The Illinois Department of Transportation announced that a routine inspection of the Bob Michel Bridge (Illinois 40) over the Illinois River is underway.

The inspection will reduce the bridge to one lane in each direction from 8:30 a.m. to 3:30 p.m. each day through Feb. 14.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
