Wolf Road resurfacing begins July 24

CHICAGO – The Illinois Department of Transportation announced today that a resurfacing of Wolf Road from north of Touhy Avenue (Illinois 72) to Golf Road (Illinois 58), in Des Plaines, will require daytime intermittent lane closures, beginning, weather permitting, Wednesday, July 24.

The \$3.4 million project, which consists of resurfacing the 2.6-mile stretch of Wolf Road and constructing new ADA-compliant sidewalk ramps, is anticipated to be completed in summer 2025. Access to residences and businesses within the work zone will be maintained throughout construction.

The public can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Over the [next six years](#), IDOT is planning to improve more than 3,000 miles of highway and nearly 10 million square feet of bridge deck as part of Rebuild Illinois, which is investing \$33.2 billion into all modes of transportation. [Accomplishments](#) through Year Four of Rebuild Illinois included approximately \$12.1 billion of improvements statewide on 5,339 miles of highway, 533 bridges and 762 additional safety improvements.
