Illinois 115 closes in Ford County June 17

OTTAWA – The Illinois Department of Transportation announced today that Illinois 115 in Ford County will close starting Monday, June 17, for a culvert replacement project. The work zone is just north of E. 1800 North Road between Piper City and Roberts.

Illinois 115 will be fully closed in the work zone for about a month. Traffic from Piper City and Roberts can utilize a detour using Illinois 54, Interstate 57 and U.S. 24. The project is anticipated to be completed in September.

Motorists can expect delays and should allow extra time for trips through this area and be prepared for slow and stopped traffic. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the [next six years](#), IDOT is planning to improve more than 3,000 miles of highway and nearly 10 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. [Accomplishments](#) through Year Four of Rebuild Illinois included approximately \$12.1 billion of improvements statewide on 5,339 miles of highway, 533 bridges and 762 additional safety improvements.
