Randolph County: Illinois 155 lane closures begin March 14

PRAIRIE DU ROCHER – The Illinois Department of Transportation announced today that repairs on the structure carrying Illinois 155 over a stream east of Bluff Road will require lane closures starting, weather permitting, at 7 a.m., Thursday, March 14. Traffic signals will maintain two-way traffic for the duration of the project, which is expected to be completed by the end of May.

Motorists should expect delays and are encouraged to use alternate routes during this closure. Drivers are urged to reduce speed, be alert for changing conditions, obey all construction signage, and refrain from using mobile devices while approaching and traveling through the work zone.
