U.S. 150 work in Edgar County begins March 18

PARIS – The Illinois Department of Transportation announced that construction on U.S. 150 east of Paris in Edgar County begins March 18.

The project involves a hot-mix asphalt overlay and new shoulders from County Road 1800 East to the Indiana state line as well as a box culvert replacement at Vermilion Road (CR 2000 East). Daily lane closures on U.S. 150 will be necessary, while temporary signals will control traffic during the culvert replacement. All work is expected to be complete by mid-October.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the [next six years](#), IDOT is planning to improve more than 3,000 miles of highway and nearly 10 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. [Accomplishments](#) through Year Four of Rebuild Illinois included approximately \$12.1 billion of improvements statewide on 5,339 miles of highway, 533 bridges and 762 additional safety improvements.
