Illinois 103 in Schuyler County to close June 3

SPRINGFIELD – The Illinois Department of Transportation announces that Illinois 103 between U.S. 24 and U.S. 67 in Schuyler County will close Monday, June 3.

The closure is necessary to remove and resurface more than 7 miles of the road. Additional work for this \$12 million project includes slope stabilization and guardrail replacement. The stabilization is needed just east of Sand Ridge Road to prevent further deterioration of the slope and to maintain the safety for motorists. With the new driving surface and other improvements, this will help increase the life of the road. Work is expected to be complete by the end of August.

Only local traffic will be permitted on Illinois 103. A marked detour using signs and changeable message boards will utilize U.S. 24 and U.S. 67 through Rushville. The intersection of Illinois 103 and Sugar Grove Road will remain open for north/south traffic. Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the [next six years](#), IDOT is planning to improve more than 3,000 miles of highway and nearly 10 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. [Accomplishments](#) through Year Four of Rebuild Illinois included approximately \$12.1 billion of improvements statewide on 5,339 miles of highway, 533 bridges and 762 additional safety improvements.
