

NOTICE TO CONTRACTORS BULLETIN

SPRINGFIELD, IL 62764

Thursday, August 28, 2025

BULLETIN NO.25 - 35

This bulletin is issued weekly by the Bureau of Local Roads and Streets. It may be viewed or downloaded via the Illinois Department of Transportation's Internet Website at <https://idot.illinois.gov/> under Doing Business, Procurements, Construction Services, Bulletins tab, Contractors Bulletin.

You may also receive it automatically once per week via email. Prepare an email to the IDOT subscription server by using the following email address and with the information as noted below:

1. Send blank e-mail message to: subscribe-dot-localroadsbulletin@lists.illinois.gov. (do not type anything into the subject or body area; just send as is)
2. A confirmation e-mail will be sent to you.
3. Click on the first link provided in the confirmation email you received.
4. You will now receive another email confirming that you have been subscribed.

PREQUALIFICATION OF BIDDERS. Proposals requiring prequalification of bidders will be issued only to those contractors who are qualified with the Department of Transportation. Prequalification forms may be secured from the Engineer of Construction, Administration Building, 2300 South Dirksen Parkway, Springfield, IL 62764.

PLANS AND PROPOSALS. Unless otherwise noted, plans and proposals may be obtained at the office of the local agency advertising for bids. The plans and proposals are each a call for bids containing all requirements governing the letting and performance of the particular contract including but not limited to any applicable requirements for the payment of prevailing rates of wages for labor are required by law. Any questions regarding individual plans and proposals should be directed to the local agency advertising for bids or the appropriate district office of local roads and streets.

PROPOSALS "NOT FOR BIDDING". Contract proposals marked "Not for Bidding" may be issued to companies furnishing materials and equipment to contractors.

NONDISCRIMINATION REQUIREMENTS. All bidders are hereby notified that the counties and municipalities having work, or procurement of materials advertised in the bulletin are required to affirmatively insure that the contract, entered into pursuant to this advertisement, will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color, sex or national origin.

RESPONSIBLE BIDDER REQUIREMENTS. All bidders are hereby notified that any proposal requiring work to be performed by a contractor requires the prime and subcontractors to participate in an approved training program UNLESS FEDERAL FUNDS are involved. All bidders must complete BLR12325 (if required) and return with the bidders' proposals. If BLR12325 is not completed, the bid will not be read.

PART I

PART II

The following notices for lettings to be held at the Office of the SUPERINTENDENT OF HIGHWAYS, COUNTY ENGINEER, COUNTY CLERK OR MUNICIPAL CLERK at the times and places shown below are appearing in this bulletin for the first time. Plans and proposals for these improvements may be secured at the office of the awarding agency.

District: 1 Cook, DuPage, Kane, Lake, McHenry, Will

City/County	Section No.	Time	Date	Location of Letting
Hickory Hills	25-00000-00-GM	10:00AM	9/5/2025	8652 West 95th Street, Hickory Hills, IL

Description: Crack Sealing

Estimated amount of crack sealing is 51,100 linear feet.

The bid documents will only be transmitted electronically.

Project Location: Various Streets, Project Roadway Length 12,600 ft (2.42 Miles)

Proposal Available: Contact Robinson Engineering, by emailing reladministrative@reltd.com or calling 708-331-6700 and requesting a digital set.

Proposal Fee: \$0.00

City/County	Section No.	Time	Date	Location of Letting
Lake	18-00999-57-EG Non-MFT	10:00AM	9/9/2025	600 W Winchester Rd, Libertyville, IL 60048

Description: Improvements include reconstruction of the intersections of Russell Road and Kenosha Road/47th Avenue and Russell Road and Lewis Avenue/39th Avenue. The intersections are being converted from 4-way stop intersections to roundabouts. Between the intersections, Russell Road will be resurfaced and widened to the County typical section. The roadways will be reconstructed with full depth HMA pavement. Additional work includes earthwork, ditch and storm sewer construction, erosion control measures, landscape restoration and other related work.

To bid on this project, contractors shall be required to provide a valid IDOT Certificate of Eligibility and obtain an approved LCDOT Authorization to Bid.

Project Location: Russell Road from west of Kenosha Road/47th Avenue to east of Lewis Avenue/39th Avenue) in Lake County, Illinois and Kenosha County, Wisconsin. The net length of improvement is 1.05 miles.
