The intent of the conditional approval is to permit the contractor to bid on projects. If a conditionally approved contractor is awarded a contract, the contractor's work should be closely monitored to verify quality workmanship is demonstrated. The Districts should advise this office of any pavement marking project(s) a conditionally approved contractor is awarded. In addition, the District should submit a copy of the contractor's performance evaluation(s) to our office, please call the Traffic Plans Technician at 217-558-0382 to report awards and evaluations. If your company information has changed or you would like to apply for the Approved Thermoplastic, Epoxy, Polyurea, and Modified Urethane Pavement Marking Contractors, please call the Traffic Plans Technician at 217-558-0382.
