**Procedure for Certifying a New Emulsified Asphalt**

**A. Scope**

Before materials can be used for a Department project, the manufacturer/supplier must have a producer/supplier number assigned to their facility. The following guidelines are provided to clarify the submittal requirements and expedite the process.

**B. Certified Producer/Materials by Policy Memorandum**

Emulsified Asphalts are certified by [Policy Memorandum 3-08.1](#) "Emulsified Asphalt Qualification Procedure".

For questions concerning the Policy Memorandum please contact Mr. Ron Price at (217) 782-7961.
