

Illinois Department
of Transportation

METRA CLYBOURN STATION FEASIBILITY STUDY

MEETING NOTICE

**You are invited to provide input
on the Metra Clybourn Station
Feasibility Study**

The Illinois Department of Transportation (IDOT) invites the public to attend a Public Information Open House for the Metra Clybourn Station Feasibility Study. The Open House will introduce the Study, gather initial feedback on needed improvements at the Metra Clybourn Station, and provide ample opportunity to connect directly with the Study team.

**Holstein Park Fieldhouse,
2200 N Oakley Ave,
Chicago, IL 60647**

**Thursday, July 23, 2026
5:30pm - 7:30pm**

ABOUT THE STUDY

The Illinois Department of Transportation (IDOT) is conducting a feasibility study to evaluate alternatives for modernizing the Metra Clybourn Station, located near Ashland and Armitage Avenues in Chicago's North Branch Corridor.

ACCESSIBILITY

The Holstein Park Fieldhouse is ADA accessible. To request reasonable accommodation, please contact Jeremy Cavanagh at jcavanagh@rmchin.com by July 17, 2026.

STAY CONNECTED

If you are unable to attend in person or would like to review meeting materials and submit comments electronically, please contact:
