

0.4 miles west of the Village of Poplar Grove to the Boone McHenry County Line Road in Boone County

Thank you for your interest in the Illinois 173 Preliminary Engineering Study project. You may use this form to comment or ask questions regarding the project. Your comments and questions are an important part of this project. Please provide your comments and questions in writing and return this form via mail (see reverse side of this sheet). All contact information is for the sole use of the Illinois 173 Preliminary Engineering Study project. When submitting a question or comment, your name will be added, if you choose, to the project mailing list so that you can be notified of any upcoming public involvement activities.
