Memorandum

To: File
From: Michael W. Adams
Subject: Safety Analysis - Contract #66N76
US 6 Frontage Rd, Bureau County
Date: 4/17/2025

SBI 7 (US 6 Frontage Rd)
Section (11Y-11X)RS-1
Bureau County
Road Resurfacing
Contract No. 66N76
P-93-007-25

Introduction

A safety analysis has been conducted for the portion of US 6 Frontage Rd (SBI 7) 0.1 miles west of 1600 E Rd to 1800 E St. This section of US 6 Frontage Rd is a two-lane, two-way state route with an annual average daily traffic (AADT) of 0 vehicles per day (vpd) (2023). It is a local route with no control of access.

Purpose

The scope of work is the removal and reconstruction of the existing pavement. The purpose of this analysis is to provide crash information using the latest data available and determine if safety improvements are warranted.

Crash Analysis

The study area was conducted along the entirety of US 6 Frontage Rd. A five-year (2019-2023) crash analysis was conducted and showed a total of zero (0) crashes. Based on the 2024 Safety Tier Report, this section of US 6 Frontage Rd is designated as a non-critical tier segment.

Conclusion

Based on the analysis, there are no significant safety problems in regards to US 6 Frontage Rd. Therefore, additional safety improvements are not warranted at this time.
