❖ Roadway Improvements

Reconstruct Herrin Road from approximately 250 feet east of Meadows Lane to Prosperity Avenue. Construct new pavement and shoulders. Widen lanes through the interchange. Reconstruct the interchange ramps with new pavement and shoulders.

❖ **Roundabouts** will be located at each ramp intersection with Herrin Road to improve safety and efficiency.

❖ **Replace Herrin Road bridge** over I-57 to improve safety, mobility and long-term reliability.

❖ **Bridge Aesthetics** will feature an outdoor theme.

❖ **Shared-use Path/Pedestrian Improvements** will be added with crosswalks.

- Two-way travel between roundabouts
