Dear Mr. Tolliver:

Enclosed for your approval and use in accordance with paragraph 23 CFR 450.220 is a copy of an amendment to the FY 2024-2027 Statewide Transportation Improvement Program (STIP) for Illinois. The Department of Transportation (IDOT) is authorizing this amendment to the STIP.

The projects listed in this amendment are state program projects that are not in a Metropolitan Planning Organization area. The projects were placed on the IDOT Facebook page for a 15-day comment period and received no comments. Therefore, the public involvement requirements are met.

IDOT considers the estimate of costs included in the STIP to be realistic. IDOT concurs with the fiscal consistency analysis included in the STIP. The total cost of the STIP remains consistent with the amount of funds expected to be available to the state during the STIP time period. IDOT, on behalf of the Governor of Illinois, concurs with the projects listed in this STIP.

Sincerely,
