After careful evaluation by IDOT, 20 grant applications were accepted and included in the draft State Fiscal Year 2025 SPR-PL submitted to FHWA for approval. There is the upcoming IDOT 39th Annual Fall Planning Conference which will be October 2-4,

2024 at the Four Points by Sheraton St. Louis-Fairview Heights hotel. Registration is not available yet, but will forward when it is available.

- **9:24am** Crash Update – Jessica Keldermans
  2023 data is now available. You can contact myself or Mark Blankenship for that data. Data collections also produces the Illinois Traffic and Pedestrian Stop Study final report for 2023 which is finalized and was put on the IDOT website July 1, 2024. We are working with Lexus Nexus for the rewrite of CIS, which is a new system we are developing called ICARS. We meet weekly with Lexus Nexus and things are going well. Hopeful to have this completed in 2 years.

- **9:31am** Roadway Update – Bill Morgan
  The 2023 GIS year end files have been updated and are now on the website. We are working on the camp files so they can get posted as well. Working over the next month and a half on the two year and four year targets for PM2 and PM3. The results of how we did on our targets and whether or not we will have to adjust our 4 year targets for the PM2 and PM3. These will be submitted to FHWA usually in September as the deadline is October.

- Current Project Updates
  - **9:33am** Data Linkage Project Update – Mickey Edwards
    July – Wrapped up fiscal year 2024. Handed over reports, videos, maps and infographics that were completed this past year. These reports will be posted to the UIS website. Produced cannabis legalization reports with 3 years of data. Looked more into vehicle types and crash injury severity with a focus on head injuries. Looked at injuries in vehicles that struck other vehicles or objects. Found pickup trucks had more injuries inside of them than other vehicle types.
