

Quarterly Meeting

April 16, 2024

Welcome!

- Name
- Agency
- Favorite non-traditional holiday
(e.g., Pi Day, Talk Like a Pirate Day)

Vulnerable Road Users Safety Assessment and New Dashboard

Daniel Bilbrey

Safety Programs Evaluation Services Engineer

The background of the image is a light gray surface covered with numerous small, square wooden blocks. Each block has a black question mark printed on it. The blocks are scattered across the entire frame, creating a pattern of question marks. The text is centered over this background.

POP Quiz!

What is the percentage increase in pedestrian fatalities in the last 5 years?

The background of the image consists of numerous light-colored wooden blocks, each featuring a black question mark. These blocks are scattered across the entire frame, creating a textured, puzzle-like effect. The text is overlaid on this background.

POP Quiz!

What is the percentage increase in pedestrian fatalities in the last 5 years?

18%

Meeting Minutes- Approval

OCTOBER 2023

JANUARY 2024

The background of the image consists of numerous light-colored wooden blocks, each featuring a black question mark. These blocks are scattered across the entire frame, creating a textured, puzzle-like effect. The lighting is soft, highlighting the natural grain of the wood.

POP Quiz!

What is the percentage decrease in
pedestrian serious injuries in the
last 5 years?

The background of the image consists of numerous light-colored wooden blocks, each featuring a black question mark. These blocks are scattered across the entire frame, creating a textured, puzzle-like appearance. The lighting is soft, highlighting the natural grain of the wood.

POP Quiz!

What is the percentage decrease in
pedestrian serious injuries in the
last 5 years?

16 %

Comments from the Federal Government

FHWA- Alan Ho

FMCSA- Christine Kobos
